EXPERIENCE

SDTRC, San Diego— *Bartender*

May 2023 - PRESENT

Currently working as a bartender whenever the club is dealing with a big event or a party.

Chilis, Location — *Server/Bartender*

August 2022 - May 2023

Worked at Chilis as a server until I was moved to bartender and started taking every Friday and Saturday night rush.

OVYSL, Morgan Hill/ San Jose —*Referee*

MONTH 2017 - MONTH 2019

Awarded Referee of the year and worked above my age level Even working a U19 MLS game as the 4th official..

EDUCATION

UC Berkeley Ext., Berkeley, California— *Full Stack Web Development Certification*

June 2023 - September 2023

Worked through a variety of technologies and tools for web development. I am confident after completing this course I can easily learn new programs or frameworks to fit the needs of employers

PROJECTS

WidgetWizard — *Widget App*

Made with React and Deployed with Heroku this web app lets you add Widgets that are personalized API calls to retrieve data specific to each Widget!

Deployed Link:
